<b>Subject:</b> Review and act on the Contract extension with United Liquid Waste for bio-solids hauling for the City's Clean Water Plant.	

**Details:**  
United Liquid Waste has requested a contract extension for the hauling of bio-solids for the City's Clean Water Plant. They would hold the 2019 rate at \$18.50 per ton should the City decide to exercise that option. United Liquid Waste has been contracted with the City for the last eight years and has done a satisfactory job.

**Options & Alternatives:**  
The contract has an option to renew at their request. The City may re-bid the contract. Re-bidding may result in a higher price.

**Financial Remarks:**  
Sludge disposal is charged to account number 7388 53910 which has \$160,000 budgeted for 2020. The City paid United Liquid Waste \$82,691 in 2019 for bio-solids hauling, however due to weather the fall application was cancelled.

**Executive Recommendation:**  
Recommend approval of the contract extension with United Liquid Waste for bio-solids hauling for the City's Clean Water Plant at \$18.50 per ton.
