Subject: GE Healthcare, 3000 N. Grandview Blvd., - Final Conditional Use	

Details:
 GE Healthcare is proposing to install a series of ground mounted solar panel arrays. The solar power will be used by the facility. The panels will be installed south of their parking lot and north of Golf Road. There are 19 rows of these solar arrays. In addition there will be an access road around the perimeter and a new fence around the panels. The panels will be about 6 ½ feet high.

Options & Alternatives:
 The Plan Commission could place any additional restrictions they feel necessary.
