RE: 2/20/23, WPRFB Agenda Item - Approve the purchase of David's Park Playground equipment.

This request is for the final approval to purchase replacement playground equipment and for community build consultation in the amount of \$ 102,801.00. David's Park playground will be completely replaced using Lee Recreation representing Burke playgrounds. The purchase is being made through Sourcewell purchasing consortium program, which has been approved by the Common Council and accepted by the Finance Department as an alternative way to bid on equipment. Attached you will find supporting documentation. The park color scheme has not been finalized.

Thank you,

Keith Johnson
Grounds Maintenance Supervisor
