Subject: Police Department Quarterly Overtime Report

Dear Chairman Pieper:

The members of the Finance Committee have requested quarterly updates regarding the Department's overtime expenditures. The daily operations of the Police Department budget are designed to minimize overtime while maintaining minimum staffing levels. A significant portion of our overtime is the result of minimum staffing.

The staffing levels have been reevaluated and are deemed necessary to maintain the safety of the citizens of Waukesha and the officers. The shortages are mainly caused by necessary events due to state law, federal law and contractual language. These include but are not limited to the Family Medical Leave Act, military leave and sick leave.

Following are the overtime budgets in the Police Department, along with a description of the overtime usage in the various divisions.

Division (ORG)

This overtime is for the Administrative Assistant to the Chief of Police and the duties that encumber overtime are: payroll responsibilities (Kronos), PFC meetings, and other administrative tasks and responsibilities.

Patrol (2130)

The main duties that encumber overtime are: shift shortages, priority 1 reports, late calls that extend past shift, courtroom appearances, and Tactical Unit responses.

CID (2140)

*Estimates as numbers are not accurate in Munis. Working with Finance to resolve.

All of our overtime accounts are currently within budget. The only one that is higher than it should be for this time of year is dispatch. We have a dispatcher that is in her last week of training. Upon successful completion she will count toward minimum staffing. However, we have another dispatcher retiring on June 1, 2016. We are currently conducting a hiring process to fill his position.

We will continue to monitor overtime, implement creative strategies to reduce overtime, and evaluate staffing levels to minimize overtime throughout the Department.

If you have any additional questions or concerns regarding this matter, please feel free to contact me at (262) 524-3761.

Sincerely,

Russell P. Jack
