Subject: Creation of criteria for issuance of operator's licenses.	

Details:

The purpose of this proposal is to create criteria for judging applications for operator's licenses, so there is consistency of treatment among applicants and to give advance notice to applicants of the City's requirements. Presently, the criteria are applied on an ad hoc basis and there has been inconsistency in the handling of applications.

Options & Alternatives:

It is not recommended to continue with the present methods.

Financial Remarks:

There is no financial aspect to this proposal.

Executive Recommendation:

Discuss the creation of criteria for issuance of operator's licenses, and formulate a list of criteria for use by the Committee.
