Subject: Stillwater Villas, Rivers Crossing Subdivision – PUD Amendment and Preliminary SPAR	

Details:
The original concept plan identified this area was for 20 single-family condo units. As with the area north of the park, Bielinski Homes has decided that the single-family condos are not very marketable, and are now proposing 10 ranch style duplex condos (20 units) in this area. Bielinski homes recently held a neighborhood meeting to discuss this proposal, and received favorable feedback from the neighbors in attendance regarding the layout and style of the project. Ald. Perry was also in attendance.

Options & Alternatives:
Deny the proposal and require a single-family alternative.
