Subject: Review and act on the request from Jeff Thiele for a one-time sewer credit for 3621 Olde Howell Rd.	

Details:
The City of Waukesha Municipal Code Chapter 29 requires sewer billing to be based upon the measured volume of water consumed and allows for a one-time unmetered credit. According to Chapter 29.11(h)(4) titled One-Time Unmetered Credit, users without credit meters may request an adjustment of sewer service charges for special circumstances such as installation of a new swimming pool or establishing a new lawn.

Jeff Thiele, on June 30, 2020, requested a credit for sewer service charges for the time period of July to October of 2020. During this period, a new lawn was installed that required extensive watering.

For comparison and calculation of a refund, the average water usage was compared with the period of heavy usage.

High Usage: 32,600 gallons
Average Usage: 5,060 gallons
Estimated Additional Usage: 27,540 gallons
Calculated Refund (2020 - \$7.90 /1000 gal): \$217.57

Options & Alternatives:
To not approve the one-time sewer credit or approve another dollar amount.

Financial Remarks:

Executive Recommendation:
Recommend approval of a one-time sewer credit totaling \$217.57
