Subject: Approval of the MorphoTrak Maintenance and Support Agreement #004198-003, and authorize the Mayor to sign the contract.	

Details:
 Renewal of maintenance and support services for the MorphoTrak LLC products. The Livescan machine from MorphoTrak allows us to electronically capture suspect's fingerprints and send them directly to the State of Wisconsin for documentation and processing.

Options & Alternatives:
 The only other option would be to manually take fingerprints in ink and to submit these prints via the US Mail which would delay in identifying criminals, increase officers time spent on processing criminals, and increase the error rating on submission of prints.

Financial Remarks:
 The budget money exists in account 2150.52420 as this is an annual contract.
