Mayor Reilly addressed the committee on this item and shared the comments of the City Attorney. The City of Waukesha Financial Policy, F-15.0 indicates City owned property is

to be declared surplus property first. The Department of Public Works Director would need to declare the signs as surplus and would decide on the method of disposal. The Committee Members indicated this item is surplus and doesn't need approval from Council or this Committee. The Committee unanimously agreed to forward this item to the Department of Public Works Director for surplus property. No vote was needed for this item.

5. Communications and Referrals

A. [ID#21-1820](#) Current Building and Grounds Budget.

Mike Grulke presented the budget. Committee hasn't spent any money from the committee budget. The items previously approved came out of project budgets. Kathleen Cummings questioned Allison Bussler of Waukesha county would like the City to say where we are with that...

Meeting discussion whether it should be in person or virtual with a 6pm strt time. Proper distancing would be good. Cory Payne agree to go back 6pm is fine.

Kathleen Cummings feels 6pm is in the family hours. 6:30pm would be better. 6pm works for everyone. In person at 6pm for the next meeting.
