Meeting Agenda - Final with recommendation: Building and Grounds

Monday, July 19, 2021

6:00 PM

Council Chambers, City Hall

1. Call to Order

2. Public Comment

3. Approval of Minutes

A. [ID#21-2549](#) Approve the June 14, 2021 Buildings & Grounds meeting Minutes

Attachments: [B&G Meeting Minutes-6-14-21-Draft](#)

4. Discussion and Recommendation re:

A. [ID#21-2550](#) Please approve installation of a stop sign on Campfire Crossing and on Wyngate Way at their intersections with River Valley Road.

Recommendation: Item ID#21-2550: This item and items ID#21-2550 to ID#21-2557 are all associated with the same location in the Fox Ridge West and Trillium Hill neighborhoods.

This item was referred by Ald. McElderry to address current and anticipated traffic / pedestrian safety concerns on River Valley Road. In May and June of 2021, Engineering staff had conducted a traffic study of this neighborhood to develop a plan of action to address vehicular traffic and pedestrian safety issue. The study results show the subject improvements would benefit the overall traffic safety of the neighborhood. The Department of Public Works recommends approval of this item. The cost for installing a new stop signs would be around \$200.

- K. [ID#21-2560](#) Please approve the repainting of existing crosswalk and stop bar markings and the replacement of all school zone crossing signs at the intersection of Arcadian Avenue and Oakland Avenue.
- Recommendation:** This item was referred by Ald. Rodriguez in response to traffic / pedestrian safety concerns on Arcadian Avenue, specifically at the Oakland Avenue intersection. In May and June of 2021, Engineering staff had conducted a traffic study of this area to develop a plan of action to address vehicular traffic and pedestrian safety issues. The study results show the subject improvements would benefit the overall traffic safety at this intersection. The Department of Public Works recommends approval of this item. The cost for installing new signing would be around \$200.
- Sponsors:** Rodriguez
- Attachments:** [21-2560 Repainting of Crosswalk and markings and Replacement All School Zone Signs at Arcadian and Oakland](#)
- L. [ID#21-2561](#) Please approve installation of a permanent speed feedback sign for westbound Arcadian Avenue east of Oakland Avenue.
- Recommendation:** This item was referred by Ald. Rodriguez in response to traffic / pedestrian safety concerns on Arcadian Avenue, specifically at the Oakland Avenue intersection. In May and June of 2021, Engineering staff had conducted a traffic study of this area to develop a plan of action to address vehicular traffic and pedestrian safety issues. The study results show the subject improvements would benefit the overall traffic safety on the Arcadian Avenue corridor, specifically to slow traffic down prior to the Oakland Avenue intersection. The Department of Public Works recommends approval of this item. The cost for installing a permanent speed feedback sign would be around \$4,000.
- Sponsors:** Rodriguez
- Attachments:** [21-2561 Install Permanent Speed Signs for W-B Arcadian and E of Oakland](#)
- M. [ID#21-2562](#) Please move the Caution Pedestrian Crossing Ahead sign from its current location on Fox River Parkway at Highpoint Lane further north towards Woodview Drive. There is a crosswalk next to its current location that is

heavily used for the park. However the sign is past this crossing and is intended to caution traffic about the crossing further south at River Place Blvd. Also change the color of the Caution Pedestrian Crossing Ahead sign to a high visible green.

Recommendation: This item was referred by Ald. McElderry in response to safety concerns on Fox River Parkway at Highpoint Lane / Woodview Dr. Staff has reviewed the location and recommends installing new signing for the crossing of Fox River Parkway at Highpoint Lane. The Department of Public Works recommends approval of this item. The cost for modifying the signs would be around \$300.

Sponsors: McElderry

- N. [ID#21-2563](#) Please approve No Parking Here to Corner on the north side of W. Newhall Avenue from the center of S. Grand Avenue to 100 feet west.

Recommendation: This item was referred by Public Works and endorsed by Ald. Wells. The subject intersection corner has residents that park up to the crosswalk on both sides of W. Newhall Avenue. This item is to install No Parking any time on the north side of W. Newhall Avenue to make the intersection proper less congested with parked cars and to accommodate larger vehicles that are turning from southbound Grand Avenue to westbound W. Newall Avenue. The Department of Public Works recommends approval of this item. The cost for installing the No Parking signs would be around \$150.
