<b>Subject:</b> Approval of Elimination of Bus Stops	

**Details:**  
 This item is to seek the approval to eliminate the bus stops listed below. These stop are in areas that will be under/near construction in 2021 so these areas were reviewed for possible changes. The bus stops proposed for elimination due to low ridership and having other more heavily used bus stops within a block or two.

Route 1  
 Avalon Dr. at Sunnyside Dr. (Both sides of the street)

Route 6 & 5/6  
 Kensington Dr. at Manor Dr. (Both sides of the street)

Route 7  
 Crestwood Dr. at Lander Ln.

**Options & Alternatives:**  
 The only alternative is to keep the stops but it is unnecessary to do so as the stops have low ridership and have other stops in close proximity.

**Financial Remarks:**  
 The cost to remove the bus stops is minimal and long term there is a savings as its fewer bus stops and bus pads to maintain and replace.

**Executive Recommendation:**  
Recommend approval.
