Arun Lamicchane, agent and owner of Sunset Mart appeared before the Committee. He is applying for a "Class A" alcohol license for his retail convenience store located at 300 W. Sunset Drive. Beer and wine will be stored on the sales floor and liquor will be stored behind the counter. This location used to be a gas station, but the pumps have been removed.

Ald. Johnson stated that he had the opportunity to speak with City Attorney, Brian Running and his view was that this business is a retail convenience store and there is no other business being conducted on the premises therefore a seperate room with a seperate checkout is not needed.

Ald. Rodriguez stated that she was in full support of the application, but that the Ordinance as written is confusing and should be rewritten to provide more clarification. Other grocery retail stores do have a seperate room and a seperate checkout area for the sale of liquor to abide by the ordinance and from the way it sounds, the seperate room is not needed since no other business is being conducted on their premise.

A motion was made by Rodriguez, seconded by Johnson to approve the "Class A" Alcohol license for Sunset Mart and allow the hard liquor to be stored behind the counter. The motion carried by the following vote:

Aye: 5 - Johnson, Manion, D. Lemke, Rodriguez and R. Lemke
