

Storm Water Construction General Permit Application

Applications are completed in a series of steps, identified by the tabs below (e.g. Application, Attachments, etc.) Click on a tab, follow the instructions and complete the following steps:

Complete all sections, **Save** your work, **Move** between tabs, **Pay** online by credit card or e-check, (You must use this system to pay all application fees), **Include** your digital signature, **Submit** the Application to the DNR.

NOTE: Missing or incomplete fields are highlighted at the bottom of each page. You may save, close and return to your draft permit as often as necessary to complete your application. If you do not complete the draft in 120 days, your draft is **deleted**.

Basic Permit Information

Project Name

Prairie Philip LLC

You must enter a project name and select an activity to begin an application.

- Storm Water Notice of Intent (NOI) - New land disturbing construction activity
- Storm Water NOI - Renewal Construction

Application Information

The information below is checklist is necessary for a complete application. A complete submittal with detailed drawings will help us make a decision about your permit application. Any applicable statutory review times do not begin until the application is received by the Department and is determined to be complete.

To help us make a decision in the shortest amount of time possible, the following information must be submitted:

New Land Disturbing Construction Activity

- Review related web site and instructions for [Storm Water - Notice of Intent](#) [Exit Form]
- Review guidance for [soil loss or sediment discharge](#) calculations [Exit Form]
- Complete all required forms and upload required attachments
- Pay fee online
- Sign and Submit form

Permittee Contact Information

Notice: Pursuant to chs. 30 and 31, Wis. Stats., ch. 281, Wis. Stats., and s. 283.33, Wis. Stats., this form is used to apply for coverage under the state construction site storm water runoff general permit, and to apply for a state or federal permit or certification for waterway and wetland projects or dam projects. This form and any required attachments constitute the permit application. Failure to complete and submit this application form may result in a fine and/or imprisonment or forfeiture under the provisions of applicable laws including s. 283.91, Wis. Stats. Personal information collected will be used for administrative purposes and may be provided to requesters to the extent required by Wisconsin's Public Records Laws (ss. 19.31-19.39, Wis. Stats.). This form is required for U.S. Army Corps of Engineers (ACOE) regulatory purposes pursuant to 33 CF 325.

Range: (Valid Ranges 01 - 30)

Direction: East West

Describe if not wholly contained in the 1/4 section

Note: Legal Description information is automatically updated by the site mapping tool (if used)

Project Information

Please note: If the information provided is incorrect or incomplete, the overall permit application may be considered incomplete and may be returned to the applicant.)

Anticipated Project Start Date: 6/1/2021

Projected Project End Date: 6/18/2021

Type of Development: Residential Commercial/Industrial
 Transportation Utility Agricultural

Project Type: In-fill Redevelopment New Development

Impervious Area Before Construction: %
(as percent of total land disturbance)

Impervious Area After Construction: %
(as percent of total land disturbance)

Pre-Application Resource Screening

If a wetland is present at a project site and permit approvals are sought through the waterway and wetland program, storm water program, or concentrated animal feeding operations (CAFO) program, the department requires that a wetland delineation that accurately shows the location of a wetland is submitted with an application. A wetland delineation needs to be verified/concurred with before the application can be submitted or be considered a complete application. See the department [Wetland screening and delineation procedures](#) for more information.

Is a wetland present in the project area?

Yes No

If no, please select one of the following items showing that a wetland is not present within the project boundaries:

- a. A copy of your wetland determination and a letter from the department's [Wetland Identification Program](#) stating wetlands are not present or the activity proposed in the wetland is exempt under NR 103.06(4)
- b. A letter from an [assured delineator](#) stating wetlands are not present
- c. Documentation showing that each of these resources were reviewed for wetland absence on the [Surface Water Data Viewer](#) :
 - i. Surface Water Data Viewer- Wisconsin Wetland Inventory
 - ii. Surface Water Data Viewer- Wisconsin Indicator layer
 - iii. Surface Water Data Viewer- Digital Topographic map layer or aerial photo indicating if waterways, drainage ways, ditches, depressions, or standing water are within project boundary
- d. Show that the project limits are entirely in existing paved, graveled, or concrete areas.
- e. A copy of your correspondence from a [WDNR Water Management Specialist](#), [WDNR Office of Energy Water Management Specialist](#) or [WDNR Transportation Liaison](#) regarding your wetland review/concurrence

Has the presence of endangered or threatened resources been evaluated according to protocols developed by the DNR Bureau of National Heritage Conservation (BNHC) <http://dnr.wi.gov/topic/ERReview>

Yes No

Site Screening Questions (check Yes or No)

- Is the proposed disturbed area within 300 feet from a mapped or delineated wetland? Yes N
- Is the proposed disturbed area within 500 feet from a water body? Yes N
- Prior to commencing land disturbing construction activities, is there any area within the project boundaries with a slope length of more than 50 feet at a steepness of greater than 20%? Yes N
- During land disturbing construction activities, will there be any area within the project boundaries with a slope length of more than 50 feet at a steepness of greater than 20%? Yes N
- Are there any proposed permanent storm water management facilities within a wellhead source water protection area? (See [Surface Water Data Viewer](#): Show Layers>Permits & Determinations>Source Water Protection Area) Yes N
- Is the proposed disturbed area within or adjacent to a [contaminated property](#) (i.e. brownfield or BRRTs site)? Yes N
- Is the project exempt from the post-construction performance standards in [NR151.121\(2\) or s. NR 151.241\(2\), Wis. Adm. Code.](#)? Yes N

Required Attachments and Supplemental Information - *Complete*

Please recognize that you are responsible for obtaining all necessary local (e.g. city, town, village or county) and U.S. Army Corps of Engineer permits or approvals in addition to any applicable state permits prior to commencing any work at the project site.

The information below is checklist is necessary for a complete application. A complete submittal with detailed drawings will help us make a decision about your permit application. Any applicable statutory review times do not begin until the application is received by the Department and is determined to be complete.

To help us make a decision in the shortest amount of time possible, the following information must be submitted:

New Land Disturbing Construction Activity

- Review related web site and instructions for [Storm Water - Notice of Intent](#) [Exit Form]
- Review guidance for [soil loss or sediment discharge](#) calculations [Exit Form]
- Complete all required forms and upload required attachments
- Pay fee online
- Sign and Submit form

Upload Required Attachments (15 MB per file limit) - [Help reduce file size and trouble shoot file uploads](#)

Payment Confirmation

Wisconsin Department of Natural Resources Invoice Number: WP-00029135

Total Due: 140

Important:

- Closing this page without saving will cause the loss of your payment history.
- A 2.5% convenience fee is added for credit card payments.
- Follow all three steps below and sign and submit your permit.

STEP 1 Completed Payment

STEP 2 Enter Confirmation Number

WS2WT3006579029

STEP 3

Please note that payment is considered successful when your financial institution renders payment for this transaction. Failure of US Bank to collect and transfer funds from the permit applicant to the DNR, does not release the applicant of financial responsibility and the DNR reserves the right to collect unpaid fees.

All payments are collected by US Bank which is an external website contracted by the Wisconsin Department of Natural Resources for the sole purpose of collecting payments over the web.

Sign and Submit

Steps to Complete the signature process

1. Check who is electronically signing the eNOI
2. Read and Accept the Terms and Conditions
3. Press the Initiate Signature Process button
4. Open the confirmation email for a one time confirmation code and instructions to complete the signature process.
5. You will receive a final acknowledgement email upon completing these steps

NOTE: For security purposes all email correspondence will be sent to the address you used when registering your WAMS ID. This may be a different email than that provided in the application. For information on your WAMS account click [HERE](#).

Terms and Conditions

Certification: I hereby certify that I am the owner or authorized representative of the owner of the property which is the subject of this Permit Application. I certify that the information contained in this form and attachments is true and accurate. I certify that the project will be in compliance with all permit conditions. I understand that failure to comply with any or all of the provisions of the permit may result in permit revocation and a fine and/or imprisonment or forfeiture under the provisions of applicable laws.

Permission: I hereby give the Department permission to enter and inspect the property at reasonable times, to evaluate this notice and application, and to determine compliance with any resulting permit coverage.

Signee (must check current role prior to accepting terms and conditions)

- Landowner using WAMS ID
- Delegation of Signature Authority (Form 3500-220) for agent signing on the behalf or the landowner
- Agent seeking to share permit application with Landowner (Land owner must get WAMS id and complete signature)

Delegation of Signature Authority
