RE: Carroll University  
Science Building Certified Survey Map

Dear Mr. Koehler:

Enclosed please find fifteen (15) copies of the Certified Survey Map (CSM) for the Carroll University Science Building project. As requested, the CSM covers the entire block between North Barstow Street on the west, West College Avenue on the south, North East Avenue on the east and the railroad right-of-way on the north. I have also attached the application for review and I have e-mailed all of the documents to you in pdf format. I submitted the application fee with the previous submittal.

Please feel free to contact me if you have any questions.

Respectfully,

Jahnke & Jahnke Associates Inc.
