Subject: Review and act on Storm Water Management Practice Maintenance Agreement between City of Waukesha and Habitat for Humanity, Inc. for property located east of Oakland Avenue, west of N. Greenfield Avenue, north of Ellis Street, and south of Lincoln Avenue.	

Details:

The property owner will be constructing storm water facilities at their development site to address storm water quantity and quality requirements. Storm Water Maintenance Agreements are required to be recorded by the City's Storm Water Management Ordinance. The Storm Water Agreement requires that the Owners regularly inspect and maintain the storm water measures installed as part of the development, and report the results of the inspection to the City Engineer two times per year. If the Agreement is not approved, then the Owner may not maintain the ponds.

Options & Alternatives:

Approve as submitted

Financial Remarks:

There are no immediate costs to the City. This Agreement requires the property owners to arrange to complete future inspections of the storm water facility and provide a copy of the inspection report to the City, as listed in Paragraph #3. The Agreement states that the City is able to levy the costs and expenses of inspections, maintenance, or repairs back to the property owner, if the owners do not complete the inspections, as listed in paragraph #5.

Executive Recommendation:

Approve as submitted
