Subject: Review and act on a request to amend municipal code section 2.07 Administrative Requirements for the Police and Fire Departments.	

Details:
As part of the collective bargaining process with Firefighters Local 407, provisions of municipal code section 2.07 were identified as being outdated and no longer relevant to current fire department operations. As a result of these negotiations the department agreed to draft possible modifications for City Council consideration. The department has worked with the city attorney's office to update the ordinance. As part of the review, the Waukesha Police Department was also included to provide draft language for rules governing the Police Department. The attached amendments have been drafted by the Assistant City Attorney Miles Eastman and reviewed by City Attorney Brian Running. A representative of the Fire Department will be present at the next ordinance and license committee to answer any questions regarding the proposed amendments.
