Waukesha City Hall  
201 Delafield St.  
Waukesha, WI 53189

I want to thank you for considering me for this position. I am so thankful about it.

The reason I would be proud to be on the Cemetery Commission is that I like the history of Prairie Home Cemetery and I have great interest of all cemeteries in general.

I am a Charter Member of *Friends of Prairie Home* to help the cemetery anyway I can.

I have a 12-grave lot at Prairie Home and my family is buried there and I will be buried there some day also.

Sincerely and thank you again.
