<b>Subject:</b> Approve No Parking Here to Corner on the east side of Gaspar Street from W. Main Street to 50 feet south.	

**Details:**  
This referral was made by Public Works with endorsement by Ald. Helgestad. Upon the completion of the W. Main Street construction project, an issue was discovered with parking on Gaspar Street right near the W. Main Street intersection. Prior to construction, the last vehicle on the east side of Gaspar, just before W. Main, was able to park. In the new condition, a parked car at this location sticks out and blocks the lane for northbound Gaspar Street cars staging at the intersection causing an unsafe condition. The committee reviewed this item and approved it unanimously.

**Options & Alternatives:**  
Discuss whether to approve this request.

**Financial Remarks:**  
The cost of a single no parking sign will be \$50 total and would be covered by the 2016 B&G Sign Budget (3310.54140).

**Executive Action:**  
The resolution for approving this speed limit change will need to be executed by the Mayor and Clerk after the Council Meeting

**Committee Recommendation:**  
The Buildings and Grounds Committee approved this item at their August 15, 2016 meeting. This item will be under the September 6, 2016 Common Council consent agenda.
