<b>Subject:</b> Grant storm sewer easement at Haertel Field from Carroll University to City	

**Details:**

The City previously conveyed the Haertel Field property to Carroll University. City storm sewer exists under the proposed turf athletic field. A storm sewer easement needs to be granted from Carroll University to the City to enable ownership and maintenance responsibilities to be conveyed to the City. There are no immediate costs to the City. The City will be responsible for the long term maintenance of the storm sewer pipe.
