Subject: Review and act on an Easement with We Energies for a new underground electric line in Prairie Park.	

Details:
We Energies is requesting an easement in Prairie Park for a new underground electrical line. The line will be directionally bored, minimizing disturbance and restoration needed. The line will run along the south property line of the park. Weldall is expanding their operations which requires a new electrical service. This easement has been reviewed by the City Attorney.

Options & Alternatives:
We Energies has several existing easements across various City properties for their utilities.

Financial Remarks:
We Energies will maintain the underground line. Any restoration work necessary will be completed by We Energies.

Executive Recommendation:
Approval of the Parks, Recreation & Forestry Board, with recommendation for approval to the Common Council.
