Subject: Review and act on the Contract for Design and Construction Services for Meadowview Park Splashpad and Shelter.	

Details:
Meadowview Park is identified in the Comprehensive Aquatics Facilities Plan and funded in the 2022 CIP budget for splashpads which is a highly desired park amenity. In May, 2021, the Department of Public Works solicited proposals from qualified architectural firms to complete the final construction plans and specifications for this work. The request was sent to 12 architectural firms and 4 responded with proposals. After reviewing the proposals, the City's review team ranked Parkitecture highest. The scope of their services is divided into 2 phases per the RFP. The Design Fee which takes the project through bidding is \$73,494.00 and the Construction Administration Fee of \$17,632.00 for a total Fee of \$91,126.00
