Summary of Proposed Service Changes Effective 9/3/19

Route 8 – Operate loop from Grandview Blvd, Easy St., Pleasant View Ave., Sunkist Ave., University Ave., Michigan Ave., Greenmeadow Dr., and Summit Ave. west of Grandview Blvd. in the counterclockwise direction only. In addition, eliminate the bus stops listed below that would no longer be served by eliminating the A.M. clockwise direction of the loop. For the vast majority of these stops, there will be a bus stop across the street that will be served. Additional bus stops are proposed for elimination below due to low ridership and/or proximity to other bus stops.
