<b>Subject:</b> Approve revising the limits of the "No Parking Any Time" zone on east side of E. St. Paul Avenue to be from the corner of NW Barstow Street to 30 feet south of Roberts Street.	

**Details:**  
Referral was made by Public Works. The existing No Parking zone on the east side of St. Paul Ave from the corner at NW Barstow to 185 feet north was established in 1983 but was never adjusted in 2010 with the St. Paul Ave. resurfacing project. Since 1983, the nearby car wash business has removed their second driveway which necessitated the No Parking zone to be 185 feet from NW Barstow, which is 30 feet north of Roberts Street. In this proposed revision, the No Parking zone will be adjusted to be 30 feet south of Roberts Street, thus giving 60 more feet of parking along E. St. Paul Ave. The committee reviewed this item and unanimously approved it.

**Options & Alternatives:**  
Discuss whether to approve this request.

**Financial Remarks:**  
The cost of installing new signs for this change is expected to be \$150 and would be covered by the 2016 B&G Sign Budget (3310.54140).

**Executive Action:**  
The resolution for approving this parking zone modification will need to be executed by the Mayor and Clerk after the Council Meeting.

**Committee Recommendation:**  
The Buildings and Grounds Committee approved this item at their February 15, 2016 meeting. This item will be under the March 1, 2016 Common Council consent agenda.
