To: Parks, Recreation & Forestry Board (PRFB) Members

RE: PRFB 5/20/19 Agenda Item - Award Bid: Playground equipment (Frame Park Moreland) Approved 2019 CIP project.

Staff recommendation is to award the bid to Minnesota-Wisconsin Playground (Game-Time play equipment distributor) for final approval to purchase new play and fitness equipment for the Frame Park (Moreland) Playground project (per approved 2019 CIP program) for the purchase amount of \$252,698.28. The equipment was bid out through the U.S. Communities National Collaborative Purchasing Program (approved/recognized by the Common Council).

As previously reviewed with the Board, this large playground project features many exciting play and fitness components and has been certified as a "National Demonstration Site" in four categories including meeting all seven principles of Inclusion (fully accessible and inclusive playground).

Game-Time play systems also feature patented Direct-Bolt connections that are compliant with ASTM standards, and stronger than other connection methods in the industry, and faster and easier to install, benefitting "Community Build" projects that utilize volunteers (like ours).

In addition to all the great new equipment, Bryce and Anne Styza have once again contribution to the Frame Park Playground (did so in 1994) with a wonderful gift of \$100,000 (check presentation in August). Further, the Common Council recently approved (5/7/19) use of the "Kids Around the World Program" that removes, refurbishes and reinstalls old equipment to establish playgrounds in poverty-stricken communities world-wide (outside of the U.S.).

As to date, the time-line for the "Community-Build" is scheduled for September 3-5 (T-TH), 2019. If you would like to join in and volunteer, please contact April Dethloff, Volunteer Coordinator at [ADethloff@waukesha-wi.gov](mailto:ADethloff@waukesha-wi.gov)

Thank you for your consideration on this item.
