Subject: Disallowance of claim for property damage by Dennis Papenthien.	

Details: Dennis Papenthein filed a claim for damage to a chain-link fence on his property, alleging that a city plow damaged it. Investigation by both the Public Works Department and the City Attorney reveals that it is not likely that a city plow caused the damage.
Options & Alternatives: There is no recommended alternative. The claimant should be made to prove his allegations.
Financial Remarks: There is no financial impact to the City in disallowing this claim.
Executive Recommendation: Disallow the claim and authorize the City Clerk to send a formal notice of disallowance.
