Subject: Fwd: Temp Loading Parking

Hello,

I got a request from Chef Pam's Kitchen for the Winter Farmer's Market. They asking for the two spaces in front of their storefront to be used as an unloading zone twice a month on the 1st and 3rd Saturday of each month November 5 through end of April from 6a-9a. They are willing to put the signs up as well. I am fine with this request and I have talked to Alderman Eric Payne. He indicated he was fine with request being placed on the Council's next agenda so that the issue can be considered before the first date of the Farmer's Market. I have attached the email I received and the attached flyer. Eric did say he would confirm his approval with you Mayor. Please let me know if this is be able to be placed on the Council agenda for Tuesday.

Thank you,
Cassie Rodriguez

Hi Cassie,

Per our discussion, following it up with an e-mail.

Chef Pam and I own Chef Pam's Kitchen at 280 W Main Street - we will be hosting the Winter Farmers Market (please see attached) on the 1st and 3rd Saturdays of the month beginning November 5th and continuing through April.

A request from our 22 artisans that will be participating is to have an 'unloading area' directly in front of our building from when parking is allowed at 6am-9am to ease their dropping off of products. There are 2 spaces directly in front of our building that are rarely used on Saturdays before 9am. We would be happy to post a sign on Friday evenings announcing the next day's loading zone - similar to what is done for Friday Night Live.

Please reach out if I can answer any questions and appreciate your support.

Brian
