Subject: Approval of Resolution Authorizing the Filing of the 2016 State of Good Repair Grant	

Details:
This item is to approve the resolution that would authorize the Transit Manager to file the Transit Commission's Federal 2016 State of Good Repair Grant (5337 Grant) with the Federal Transit Administration. This grant will be used to fund the federal share (80%) of the cost of one bus and a portion of another bus. A total of \$465,172 has been allocated to Waukesha County for 2016. These funds will be used to purchase a replacement bus for one of the 2004 buses with delivery in 2017. The replacement of the 2004 buses was approved in the 2015 CIP. This would be the second of the seven buses to be replaced.

Options & Alternatives:
There are no viable alternatives. The 80% federal funds are critical for the purchase of replacement vehicles.

Financial Remarks:
A total of \$465,172 of federal funds will be available for bus purchases from this grant and will require \$116,293 of matching City funds. As stated in the detail, the replacement of the seven 2004 buses was approved in the 2015 CIP. This would be the second of the seven buses to be replaced and delivery would occur in 2017.

Executive Recommendation:
Recommend approval.
