Subject: Review and Act on a request to enter a contact with Jerry's Transmission Service DBA North Central Ambulance for the Re-Mount and Refurbish of the Fire Department's Braun Ambulance Fleet #132 that was approved as part of the 2021 CIP.	

Details:
The Fire Department is seeking approval to enter a contract with Jerry's Transmission Service, DBA North Central Ambulance for the Re-mount and Refurbish of our Braun Ambulance Fleet #132. The Ambulance will be removed from the 2013 Ford Chassis and mounted onto a new 2020 Ford Chassis. By replacing the Chassis and refurbishing the existing box, the City will save roughly \$45,500 compared to purchasing a brand-new Ambulance. Upon approval, we are requesting the Mayor to sign the contract. This is an approved 2021 CIP.

Options & Alternatives:
The Chassis of this unit is at the end of its service life. An alternative would be to purchase a new Ambulance instead of refurbishing the existing one. There would be an additional cost of roughly \$45,500.

Financial Remarks:
4305-49210 - \$211,573 Revenue
4320-68140 - \$211,573 Expense

Executive Recommendation:
The City Administrator is in support of signing this agreement.
