Subject: Dumpster in Clock Tower parking lot – Final Site Plan & Architectural Review	

Details:
 This City initiated project is intended to assist downtown businesses with limited or no space on their properties for dumpster storage. This dumpster will be owned and maintained by the City and various businesses will contract with a trash company for trash pickup. The dumpster will be located on the western side of the Clock Tower Parking Lot. There is an existing shared dumpster on the eastern side of the lot that operates in the same way. This additional dumpster will help ease the congestion in the existing dumpster and allow expansion of businesses in the area.

Options & Alternatives:

Staff Recommendation:
 Staff recommends approval of the City owned dumpster.
