<b>Subject:</b> <b>Waukesha Guitar Town, Inc. – Moving two Existing Murals</b>	

**Details:**

In 2013 Waukesha Guitartown Received Plan Commission approval to place several Guitartown themed murals in and around Downtown. Three (3) of the murals were placed on a blank wall on the east side of the Main Street Plaza apartments/retail building facing the vacant lot to the east. The Clearpoint Apartment project is now under construction on that site and the murals will need to be moved to new locations. They are proposing two new locations:

1. The "Building Guitartown" Mural will be relocated to the west wall of the Mainstream Bar and Grill Building at 404 Main Street.
2. The Carroll University Mural will be placed on the north wall of 916-918 Clinton Street, facing the entrance to the Clock Tower parking lot.

There are no new locations proposed for the Pro Health Care/Waukesha Memorial Hospital mural at this time.

**Options & Alternatives:**

The Plan Commission could explore alternative locations.
