Dear Mr. Mayor,

It has come to my attention that there is a proposal to rezone this area that will allow for significant sized apartment buildings to be constructed in this area. I am a resident of the area and strongly oppose this change. These are quiet single family homes and we do not wish to change that atmosphere. Rezoning the area is not an improvement for the residents, it is stripping away at the life style all of us have strived for.

I don't mind paying higher taxes for living in the City of Waukesha, but I do mind it when degrading the quality of life of the residents begins. I hope to be able to continue to support you in the future, but it will depend upon where this rezoning ends up. Allowing this rezoning to occur is not the right direction I want to see in Waukesha.

If you have a different perspective, I would be interesting in hearing it.

Kind Regards

Dan Quirt
