Committee: Building and Grounds	Date: 11/2/2020
Common Council Item Number: ID No. 20-1308	Date: 11/17/2020
Submitted By: Fred Abadi, P.E. Public Works Director	City Administrator Approval: Kevin Lahner, City Administrator KL
Finance Department Review: Bridget Souffrant, Finance Director BS	City Attorney's Office Review: Brian Running, City Attorney BR
Subject: Please approve No Parking Any time on the east and west sides of Springdale Road from E. Moreland Blvd. to Bluemound Road.	

Details:
This item was referred by Ald. Don Browne. In September 2020, Engineering staff conducted a traffic study of the intersection of Springdale Road from E. Moreland Blvd. to Bluemound Road. Said study produced findings and made recommendations to improve safety along the corridor. At their October 5, 2020, Building and Grounds meeting, the committee discussed several recommendations that Engineering staff had presented. The committee felt that installing pavement marking on Springdale Road to demarcate it as a 4-lane roadway (2 lanes in each direction) was the best solution. In order to have 4 lanes marked, parking cannot be allowed on any side of the street. This item removes the parking allowed. The Department of Public Works does not have any issues with this item.

Options & Alternatives:
None

Financial Remarks:
If the committee approves this item, the cost for installing No Parking signs will be around \$1,000 and covered by the 2020 Building and Grounds Sign Budget (3310.54140).

Executive Recommendation:
The Department of Public Works recommends approval.
