Home Depot U.S.A., Inc. constructed storm water facilities at their development site to address storm water quantity and quality requirements, which will also be used by Duluth Trading as part of their new store. Storm Water Maintenance Agreements are required to be recorded by the City's Storm Water Management Ordinance. If the Agreement is not approved, then the Owner may not maintain the ponds.

Options & Alternatives:

Financial Remarks:
There are no immediate costs to the City. This Agreement requires the property owners to arrange to complete future inspections of the storm water facility and provide a copy of the inspection report to the City, as listed in Paragraph #3. The Agreement states that the City is able to levy the costs and expenses of inspections, maintenance, or repairs back to the property owner, if the owners do not complete the inspections, as listed in paragraph #5.

Executive Recommendation:
Approve as submitted.
