Subject: Review and act on the Two-Party State Municipal Agreement between the City of Waukesha and the Wisconsin Department of Transportation for the E. Moreland Blvd. Bridge project, WisDOT Project ID: 2718-00-73.	

Details:
 In 2023, the City of Waukesha solicited for bids for the WB E. Moreland Blvd. Bridge maintenance project, but unfortunately, the project bid came in over budget. Previously, the City was awarded funding from WisDOT for the EB E. Moreland Blvd. Bridge rehabilitation, and WisDOT will be completing this project in 2024. In the interest to only impact this location for one construction season, a request was made with WisDOT to include the WB E. Moreland Blvd. bridge maintenance work within their 2024 rehabilitation project for the EB E. Moreland Blvd. bridge.

The WB E Moreland Blvd. Bridge maintenance work has an estimated total cost of \$200,000 for construction and would be 100% City funded. This bridge is currently at a rating that is too high to be eligible for WisDOT funding. The attached SMA would formally allow WisDOT to include the WB E Moreland Blvd. bridge work with their project, and contains an estimated City cost share of \$200,000. The \$200,000 cost would be included as a budget request in the 2024 CIP.

Options & Alternatives:
 Not approving the agreement at this time would not allow combining the WB Moreland Blvd. project with WisDOT's EB Moreland Blvd. project.

Financial Remarks:
 The total construction estimate is \$200,000 and would be included as a budget request in the 2024 CIP.

Executive Recommendation:
 Recommend approval of the State Municipal Agreement (1st Revision) between the City of Waukesha and the Wisconsin Department of Transportation for the E. Moreland Blvd. Bridge project, WisDOT Project ID: 2718-00-03/73 & 2718-00-08/78.
