RE: Howell Oaks Addition No. 5 (Phase 6)
Final Plat Application for Review

Dear Mr. Koehler:

Attached for your review and approval are PDF copies for the proposed Final Plat for Howell Oaks Addition No. 5 as follows:

- City of Waukesha Application for Development Review
- Final Plat of Howell Oaks Addition No. 5 (aka Phase 6)
- Attachment G: Final Plat Checklist
- Attachment A: Development Review Checklist
- Attachment D: Stormwater Management Plan Checklist

The City of Waukesha Final Plat Review Fee in amount of \$780.00 will be submitted via USPS under separate cover. The Final Plat has been submitted and comments have been received from the Department of Administration and Waukesha County Parks & Land Use (see attached).

Briefly, we are requesting Final Plat approval for thirty-three (33) single family lots and two (2) outlots which will be generally located on the north side of Madison Street west of Howell Oaks Addition No. 3 and south of Oakmont Subdivision. The site is zoned RS – 2 Single Family Residential District and a preliminary plat was previously approved for the entire 184 lot single family lot development. This addition to Howell Oaks will require the extension of Oakmont Drive to its terminus and will include the addition of Olde Howell Court and Retzer View Court. Storm water management ponds were constructed in 2013 with the original Howell Oaks Subdivision and the Storm Water Management Practice Maintenance Agreement was recorded at that time. Site Construction is currently proceeding and is near conclusion. Lots in Howell Oaks Addition No. 5 will range in size from 13,073 sf to 37,771 sf.

Relative to the two (2) outlots, Outlot Nos. 10 and 11 will be owned fractionally by every owner in the Howell Oaks subdivisions with Outlot No. 11 being primarily comprised of Isolated Natural Resource areas and wetlands.

I am herewith requesting placement on the next available Plan Commission Agenda for the approval of the Final Plat for Howell Oaks Addition No. 5.

If you should have any questions or require additional information, please feel free to contact me at your earliest convenience.

Sincerely,
