Common Council Item Number: ID#19-0037	Date: 2/5/2019
Submitted By: Fred Abadi, Director of Public Works	City Administrator Approval: Kevin Lahner, City Administrator
Finance Department Review: Rich Abbott, Finance Director RA	City Attorney's Office Review: Brian Running, City Attorney
Subject: Approval of contract to host 2019 appliance collection events with Refrigerant Depot LLC.	

Details:

In conjunction with the already planned TVs/e-waste collection events, we will host Refrigerant Depot to collect appliances from residents during the drop-off event at no cost. Refrigerant Depot has a strong history of successful collection events around Waukesha County and SE Wisconsin for neighboring communities. For most of those events, they partner with the same TVs/e-waste contractor we are using, Legacy Recycling.

Options & Alternatives:

Eligible properties in Waukesha may arrange for pickup of appliances through our garbage/recycling contractor, Advanced Disposal by call-in. There is currently no cost for that curbside pickup. This collection event would provide an additional option for residents to bring appliances to drop-off instead of calling for pickup. Advanced Disposal has already been notified and is supportive of the drop-off event in addition to the curbside program.

Financial Remarks:

There are no costs to the city or the residents for hosting and collecting the appliances. Refrigerant Depot accepts items free of charge.

Executive Recommendation:

Recommend approval of the Contract with Refrigerant Depot LLC for the 2019 appliance collection events.
