Subject: Minor Site Plan & Architectural Review – 900 Sentry Drive, City of Waukesha “Burn Building” - Proposed installation of a prefabricated “Burn Building” to simulate real world training and instruction for the City’s Fire Dept.	

Details: The City of Waukesha Fire Department is proposing to install a prefabricated "burn building" for fire training use. The multiple story building is constructed of shipping containers to simulate real world training for the city's Fire Department. The site will be used periodically for training and instruction. The structure will be placed at the southern end of the City Drop Off Center behind or just west of the former incinerator building at 900 Sentry Drive in a flat area within the fenced in property.

Options & Alternatives:

Financial Remarks:
No financial impact to the City.

Staff Recommendation:
Staff recommends approval of Minor Site Plan and Architectural Review for the installation of a 'Burn Building' for fire training use behind the former incinerator at 900 Sentry Drive.
