

Trail Restoration of Moorewood Park

Life Scout Joshua Hoggatt from Troop 183

Introduction

Joshua Hoggatt

Troop 183

Life Scout

Eagle Scout Project

Project

- This project aims to improve the trail at Morewood Park by applying a fresh layer of mulch, widening the trail, trimming brush hanging over the trail, creating a trail sign with the length of the trail and other features, and moving fallen logs to act as erosion control in some places.
- What will be provided by Waukesha Park, Rec & Forestry
 - Approximately 70 cubic yards of mulch
 - 3 8' 4x4 pressure-treated posts for trail signs
- What will be provided by me
 - Project Management
 - Tools
 - Personnel

Proposed Signage

Next steps

- Board Approval
- Mulch & Material Delivery Date
 - October 21st (2 days before)
- Work Dates
 - October 23rd and October 30th (rain date)
