Subject: Discussion and Recommendation to Council: Revise Chapter 29 – Sewer Use and Wastewater Treatment to Change Quarterly Sewer Charges to Monthly	

Details:
Earlier this year, the Water Utility changed all water and sewer customers who were on quarterly billing to monthly. This amendment updates all Chapter 29 references to the Quarterly Unmetered Flat Charge to Monthly, and changes the basis for this charge from 30,000 gallons per quarter to 10,000 gallons per month.

Options & Alternatives:
These changes are necessary for consistency between the ordinance and the Sewer Service Charge and Fee Schedule.

Financial Remarks:
None

Executive Recommendation:
Recommend the proposed changes for Council approval.
