5. Discussion and Recommendation

[ID#16-1258](#) Consider modifying the ordinance regarding individuals currently required to comply with the Wisconsin Sex Offender Registry Program (S.O.R.P.) restricting participation in activities within the community that promotes the enticement of children (i.e. Trick or Treat), wear costumes/masks, or anything that hides their identify.

Ald. Hernandez brought this forward a few years ago and it was discussed before the Council. He said some offenders are under the supervision of the DOC and some are not. Those that are not can participate in these types of activities. He would like to see an amendment to the ordinance that would restrict these types of activities for those not under supervision. Communities that have a similar restriction include an exception for activities done in private for their own children for a 30 day period prior to a holiday. HE would like this to apply to anyone required to register with the SORP.

Once someone was no longer required to register, they would not have this proposed restriction.

Motion to send this to the City Attorney's office to draft an ordinance

Aye: 4 - Perry, Manion, Johnson and C. Payne
