- IV. APPROVAL OF MINUTES
ID#15-3897 Minutes for the Meeting of January 13, 2016
- V. CONSENT AGENDA
- VI. BUSINESS ISSUES
PC-15-0260 La Casa de Esperanza Charter School – 410
 - The plans were unclear as to how the proposed building would be served with water (both domestic and fire protection). Additional information will need to be provided.
 - The available fire flow data is older than that which will be allowed to be used for future permitting. The developer and their design team will need to coordinate with the water utility during non-freezing months to obtain the new data required for any fire suppression system modifications or additions that may be needed.
- VII. DIRECTOR OF COMMUNITY DEVELOPMENT REPORT
- VIII. ADJOURNMENT
