RE: PRFB Agenda Item - Approve the purchase of Ford 550 Dump truck

This request is for the final approval to purchase a F550 Dump truck, through Ewald Automotive and the bed through Monroe trucks, in the amount of **\$ 53,827**. The replacement machine is a F550 4wd Dump truck with a Stainless-steel box. This is a similar replacement for what is currently being used. This machine was bid out through the Vendor net system, which is formerly the State Vehicle Value Bid.

Thank you,

Keith Johnson  
Grounds Maintenance Supervisor

**Justification for Fleet Expenditure**  
 This medium-sized dump truck is used for summer and winter operations. Parks maintenance crews use small dump trucks for hauling materials to job sites, and it is also used to haul a larger trailer that pick up trucks cannot haul. In the winter it is used for salting parking lots within the parks.
