# FABRIC COVER

ClearSpan

## The 12.5 oz. Fabric Cover is energy-efficient and features a 20 year warranty

This 12.5 oz. polyethylene fabric cover is an energy-efficient option that enables users to save money on a monthly basis. Natural light filters through, eliminating the need for artificial daytime lighting, while the climate-sensitive cover keeps it warmer in the winter and cooler in the summer.

### The ClearSpan 12.5 oz. Fabric Cover Advantage

**Natural lighting** - Reduce energy costs by eliminating daytime lighting.

**Climate sensitive** - Cut heating and cooling costs.

**Low maintenance** - Rain keeps the cover looking clean.

**Rip-stop weave** - Stops potential tears in their tracks.

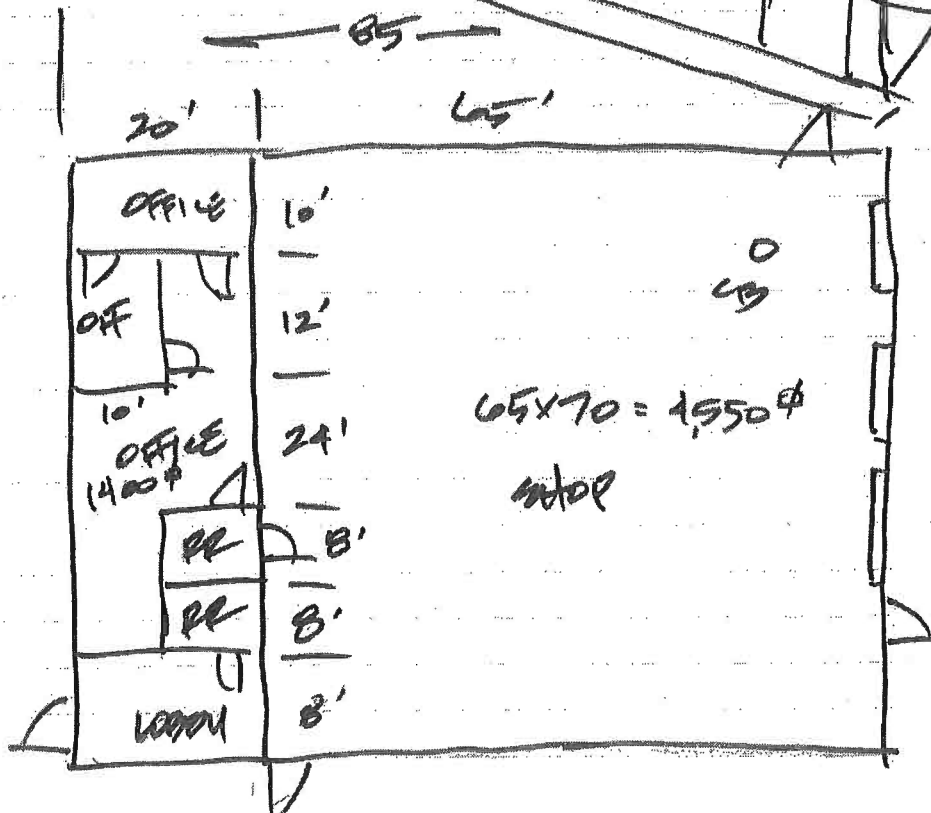

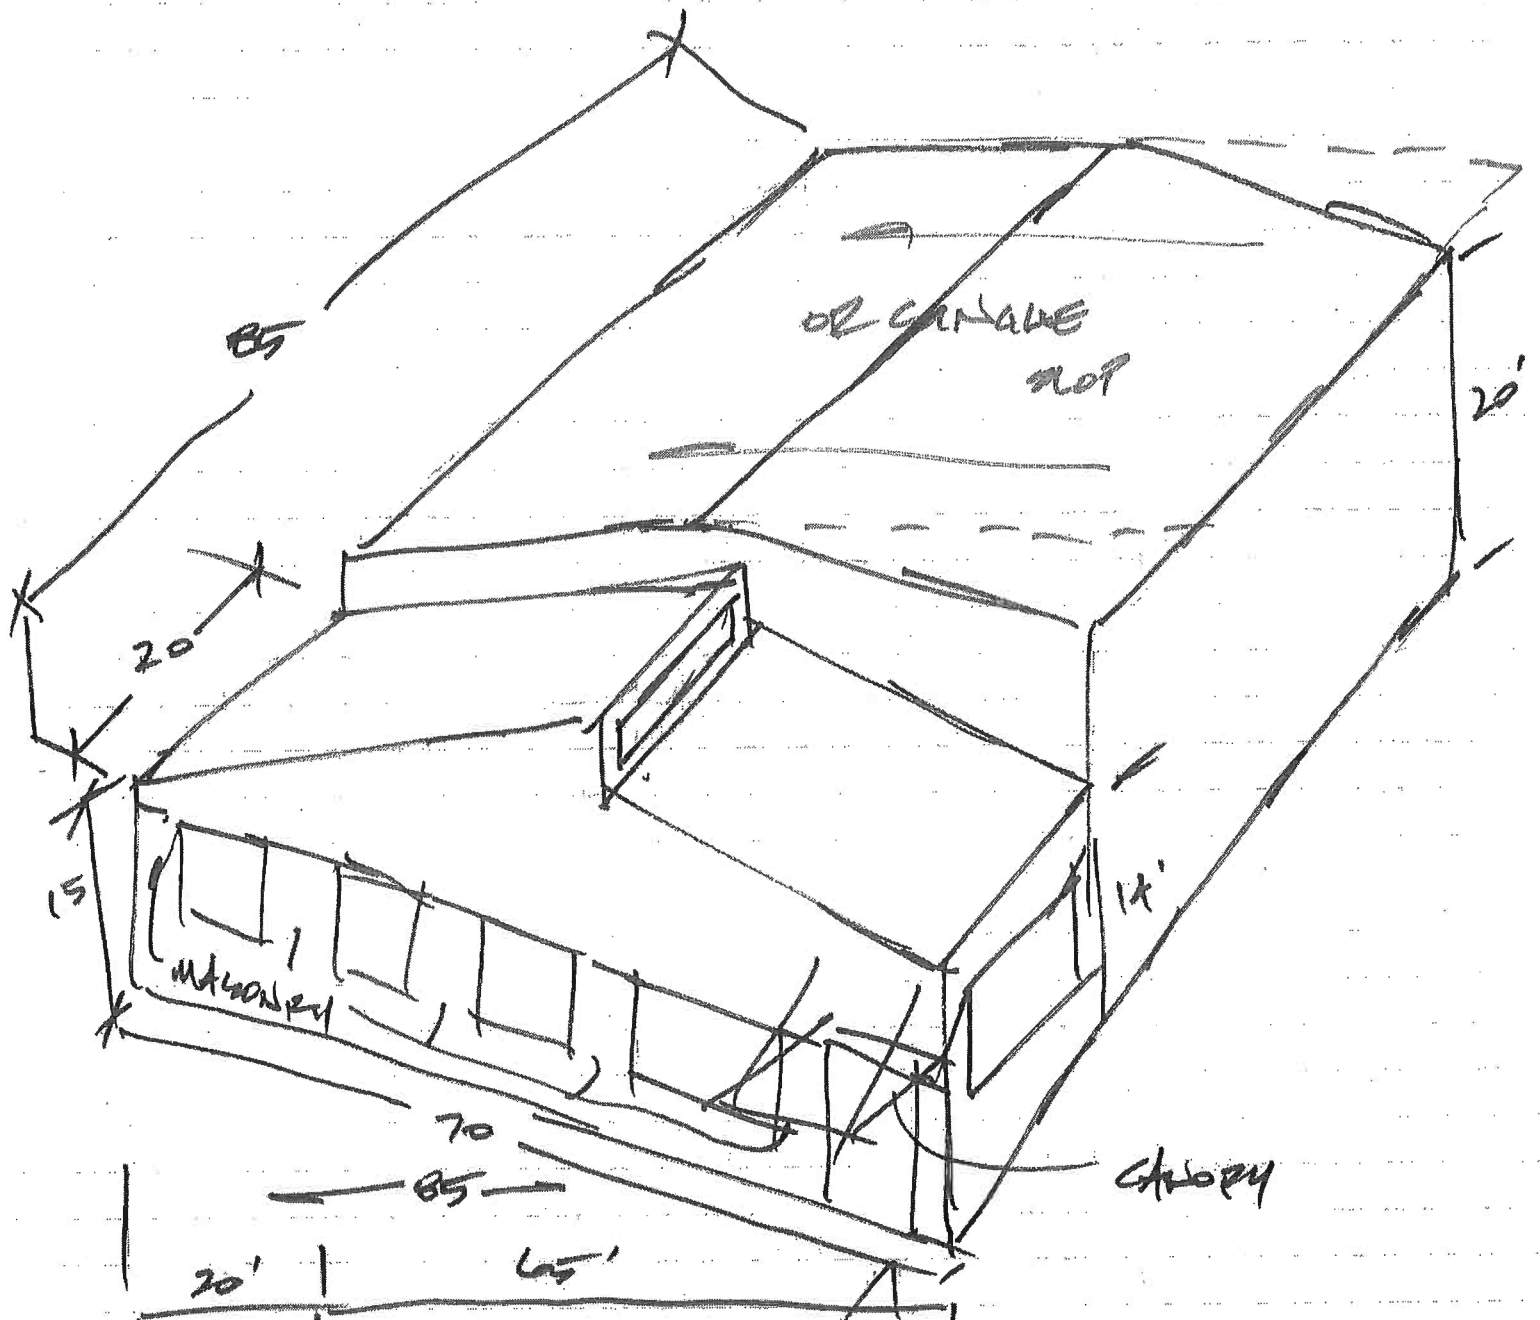

**100% recyclable.**

**Flame-retardant options available.**

**Exceptional 20 year warranty.**
