Nick Marking gave a presentation of his business plan for the beer garden at The Shoppes At Fox River. There will not be a tent at this location. Metal fencing was used around the perimeter at the Greenfield location but he didn't care for how it looked; he favors large shipping type rope. Johnson said the area needs to be secured. Marking said he will have a manager present all hours of operation; after an ID is shown the patron will have a wristband issued. He will be present most hours of operation. Ald. Rodriguez asked what occupancy would be; he plans on having 30 picnic tables; also pub height tables, all socially distanced. He anticipates 500 people socially distanced. Rodriguez feels more secure fencing is needed than the proposed shipping rope. Marking will change his plan to metal perimeter fencing. Marking would like to be open May - October with pop up options throughout the year if weather allows. Running said a barrier must be 36" in height and substantial - or not easily hopped over. Running suggested attaching the picture of the area to the license so the premise is well described. Running explained that it will be a licensed premise and underage people should not be on it when it is not operating. Running has no objection to the issuance of the license. Marking said the landlord has approved music on Fridays and Saturdays; he wants to be a good neighbor and books either solo or duo performers. DC Angle said the Police Department is in support; he reached out to the Greenfield Police Dept. and they said there were no problems at their location. Angle likes the amount of staffing Marking has proposed. The food trucks will park at the entrance on the south side. DC Angle said Marking will need to watch for intoxicants leaving the area when people go to get food.

6. Communications

Chairperson Johnson will not be at the next council meeting; he would like Ald. Manion to recommend that the Council waive the third reading for sec. 9.115. DC Angle informed the Committee that the pick up areas for retail business that have expanded their premise to the parking lot will be included in compliance checks.

Meeting adjourned at 6:46 pm.
