MEMORANDUM

Date: February 14, 2020

To: Dan Duchniak, P.E.

From: Chris Walter, P.E.

Re: Madison Street Utility & Street Reconstruction - Developer's Agreement

Thompson Companies, Inc. is proposing to extend water main for the above project. The project involves a The extension of approximately 2,200 feet of new 12-inch water main on Madison Street from Prairie Song Drive to the West City Limits. The water main will be installed within the public road right-of-way so no easement is required. This project is being completed at no cost to the Utility.

The Developers Agreement is our standard agreement and contains no exceptions.

Recommended Motion: Move to approve of the Developer's Agreement with Thompson Companies for the Madison Street Utility & Street Reconstruction.
