4. Discussion and Recommendation re:

A. [ID#20-1445](#) Please approve the installation of an LED Flashing stop sign system for all four approaches at the intersection of Arcadian Avenue and Pleasant Street.

Recommendation: This item was referred by Ald. Miller in response to a study that was completed by Engineering staff for accident issues and non-compliance of stop signs at the intersection of Arcadian Avenue and Pleasant Street. Ald. Miller is requesting the expenditure of funds to purchase LED blinking stop signs at the intersection. The staff study report indicated support for a flashing system as means to reinforce awareness of the stop condition. The Department of Public Works does not have any issues with this item.

- B.** [ID#20-1446](#) Please approve modification to the existing No Parking Zone established in February 2016 under item ID#16-238 to be the following: Establish a No Parking Any Time on the west side of Baxter Street from 110 feet to 180 feet south of the centerline of the southern-most driveway of the northern Schutze parking lot.

Recommendation: This item was referred by Public Works. A new crosswalk was established on Baxter Street near the main entrance to the Schutze building. As a result, existing No Parking zones need to be adjusted. The Department of Public Works does not have any issues with this item.

Sponsors: Public Works and E. Payne
