Subject: Approval of Bus Stop Changes	

Details:
 This item is to seek the approval of the following bus stop changes:
 Eliminate the following bus stops:
 Madison St. at University Ave.
 Lawndale Ave. at Fairview Ave. (Northeast corner)
 Avalon Dr. at Laura Ln. (eastside of street)

The bus stop on Madison St is no longer served. The stop on Lawndale is no longer needed due to recent reconfiguration of the route in that area that makes the stop redundant. The stop on Avalon Dr. has very low ridership and there is another bus stop a block north of that location and another two blocks south of that location.

In addition, the approval would include moving the bus stop at Ruben Dr. at Avalon Dr. 50 feet to the east so that the stop is no longer in the intersection.

Options & Alternatives:
 The alternative is to leave the bus stops.

Financial Remarks:
 The cost to remove the bus stops is minimal. The bus stop on Avalon Dr. was removed already due to construction in that area. Over time there will be a savings to removing these bus stops as they will no longer need to be maintained (new pole, sign, concrete pad). The move of the bus stop at Ruben at Avalon was included in the road project in that area so no additional costs would be incurred from that move.

Executive Recommendation:
 Recommend approval.
