

Good afternoon Mayor Reilly,

Jeff Fortin reached out to me last week about an opening on the Landmarks Commission and inquired if I would be interested in applying for the position. I let him know that I am very interested so he said that I should reach out to you directly with my background and a current resume if I have one. I have worked at the same residential remodeling / construction company for 19 years, so my resume is not current, but here is who I am and what I've been up to for my education and professional experience.

I have been a Waukesha resident for all but a couple of years.

- Graduate of University Of Wisconsin-Milwaukee in 2001 with a bachelor's degree in architecture.
- Graduate of University Of Wisconsin-Milwaukee in 2003 with a master's degree in architecture.
- In 2003 started as project designer with Bartelt Filo (Now Bartelt Remodeling in Delafield WI)
 - Experience includes designing, specifying, and sales of a wide variety of historic and newer homes including renovations and additions. Have designed multiple new homes and buildings as part of portfolio. Participate in construction process with onsite client, carpenter, and other tradespeople meetings.
 - <https://www.houzz.com/pro/barteltremodel/bartelt-the-remodeling-resource>
 - <https://barteltremodel.com/portfolio/>
- 2-year Member of Downtown Waukesha BID (Just prior to disbanding)
- Recently built a new home in the Broadway Avenue Historic District at 1236 E. Broadway and went through the commission approval process in 2018.

I would be happy to schedule a call or sit down if there is more you'd like to know or discuss. Being a Waukesha resident for most of my life and for the foreseeable future I am a stakeholder in our community and would consider it a privilege to contribute to the integrity of Waukesha's unique collection of historical architecture. Look forward to hearing from you!

Thank you,
Matt
