Dear Charlie Griffith,

Our names are Brian and Heather Cotton, and we own Cotton Sealcoating LLC. Located at 1608 N Grandview Blvd Waukesha WI 53188. We have been in business since 2009, and are applying for a Conditional Use Permit for Home Industry under ordinance 22.58(6).

It was brought to our attention that a neighbor has put in a complaint that we have our business in our home. We both are sorry we didn't look into this nor did we know we had to apply for this permit until now and want to do the right thing to hopefully get your help on approving us so we can keep our "Home office & Storage of our business at our residence. We understand there are conditions to do this and are all for following the guidelines that are expected from us.
