<b>Subject:</b> Sidewalk Plan – Review and act on the Sidewalk Plan for the City of Waukesha. This Plan to guide City, and staff for prioritizing locations for new sidewalk installations as part of new private development, City capital infrastructure projects, and grant opportunities.	

**Details:**  
Based on direction from the Plan Commission, City Staff have been asked to prepare a sidewalk plan for the City. Staff have mapped the locations of existing City sidewalks, reviewed areas of missing sidewalks, and proposed a City Sidewalk Plan to provide a consistent, objective, and comprehensive approach to sidewalk installation. Locations where sidewalks are needed was determined with priority rating levels which will provide a proactive direction for sidewalk installation to be included with new developments and City street project approvals to help avoid confusion or conflict when designing and approving projects. Potential funding sources to offset costs of future sidewalk extensions and installations were also explored.

**Options & Alternatives:**  
1. Approve as submitted

**Financial Remarks:**  
1. There are recommended areas of sidewalk installations along City-owned properties.

**Executive Recommendation:**  
1. Approve as submitted
